

KNEEHILL COMMUNITY SERVICES DIRECTORY 2024

The Kneehill Community Services Directory is a project of Kneehill Regional Family and Community Support Services (FCSS).

We encourage you to contact our office at 403-443-3800 or email angie@krfcss.com if information requires updating, or if your organization would like to be included in the next edition. An electronic version of the directory is available for download at www.krfcss.com.

Kneehill Regional FCSS is a partnership between the provincial and municipal governments of Acme, Carbon, Kneehill County, Linden, Three Hills and Trochu. A board made up of one elected official from each participating municipality sets the direction for the program and makes funding decisions. The FCSS Director and staff carry out the activities of the program and liaise with other community groups.

Kneehill Regional FCSS and the participating municipalities maintain and strengthen the quality of life for all residents by supporting volunteerism and providing preventive social initiatives and programs. Kneehill Regional FCSS develops and supports locally driven preventive social initiatives that enhance the well-being of individuals, families, and communities, and funds several Kneehill area projects and programs, including Seniors Outreach, the Kneehill Family Wellness Program, Kneehill Community Support Coach and Kneehill Family and Marriage Counselling.

Kneehill Regional FCSS provides several services and programs for Kneehill area residents:

- Information and Referral
- Parent Education
- Group Programs for Children, Youth and Families
- Community Volunteer Income Tax Program
- Volunteer Recognition, Education and Awareness
- Community Discovery Nights
- Tools for School
