

WHY IS ACCESS CHANGING?

To ensure the Torrington Landfill can continue to service Kneehill County residents for as long as possible, we're limiting use to County ratepayers and residents only. This helps us manage waste sustainably and extends the life of our landfill.

We appreciate your support in making this necessary change to protect our resources.

NEW ACCESS GUIDELINES

Effective Date: January 1, 2025

Who Can Use the Landfill?

Kneehill County ratepayers and residents only.

What Does This Mean?

Starting in the new year, only those living within or owning property in Kneehill County will be able to use the Torrington Landfill. If you're from a neighboring community, please explore alternative waste disposal options in your area.

We understand this may be an adjustment for nearby communities. We're happy to answer questions and help you find alternative solutions.

FREQUENTLY ASKED QUESTIONS

Q: Who qualifies as a Kneehill County ratepayer or resident?

A: Anyone living within or owning property in Kneehill County. (Outside of villages or towns.)

Q: Where can non-residents go for waste disposal?

A: Check with your local municipal office for recommended waste disposal sites in your area.

Q: Who can I contact with questions?

A: Contact Kneehill County at 403-443-5541 or office@kneehillcounty.com.
