

Small Business Week

OCTOBER 20 - 24, 2025

THE INITIATIVE

Small Business Week is a weeklong initiative from October 19 – 25, 2025, where we celebrate entrepreneurship throughout the region and nationwide. CFWR will host a series of daily in-person sessions, webinars and attend networking opportunities and events hosted by the regional Chambers, CFWR, and BDC. Topics will range from labour, health and wellness, financial literacy, digital marketing tools, establishing goals and more.

LAND ACKNOWLEDGEMENT

We begin by acknowledging that we are meeting on the traditional lands of the First Nations peoples.

This region is home to the traditional Treaty 7 territory of the Blackfoot confederacy: Siksika, Kainai, Piikani, Stoney Nakoda and Tsuut'ina nations. Calgary is home to the Metis Nation of Alberta Region 3.

We recognize the importance of land recognitions as one small way of honouring and demonstrating respect for the diverse histories and cultures of people who have lived on this land before us.
