KNEEHILL COMMUNITY SERVICES DIRECTORY 2026

The Kneehill Community Services Directory is a project of Kneehill Regional Family and Community Support Services (FCSS).

We encourage you to contact our office at 403-443-3800 or email jennifer.parsons@krfcss.com if information requires updating, or if your organization would like to be included in the next edition. An electronic version of the directory is available for download at www.krfcss.com.

Kneehill Regional Family and Community Support Services (FCSS) is a partnership between the provincial government and the municipalities of Acme, Carbon, Kneehill County, Linden, Three Hills, and Trochu. Program direction and funding decisions are guided by a board consisting of one elected official from each participating municipality. The FCSS Director and staff are responsible for delivering programs and services and for collaborating with community partners.

Kneehill Regional FCSS works with participating municipalities to maintain and enhance the quality of life for all residents by supporting volunteerism and providing preventive social programs. The organization develops and supports locally driven initiatives that promote the well-being of individuals, families, and communities. Kneehill Regional FCSS also funds and delivers a range of programs across the region, including Seniors Outreach, the Kneehill Family Wellness Program, the Kneehill Community Support Coach, and Kneehill Family and Marriage Counselling.

Kneehill Regional FCSS provides several services and programs for Kneehill area residents:

- Information and Referral
- Group Programs for Children, Youth and Families
- Community Volunteer Income Tax Program
- Volunteer Recognition, Education and Awareness
- Community Discovery Nights
- Tools for School

Kneehill Regional Family and Community Support Services (FCSS)
Working for the municipalities of Acme, Carbon, Kneehill County, Linden,
Three Hills and Trochu

Kneehill Regional Family and Community Support Services (FCSS) offers a wide range of programs and services across our six municipalities, supporting individuals, families, and communities throughout the Kneehill region.

Information and Referral – Kneehill Regional FCSS provides information and referral to services and programs available to residents in the Kneehill area.

Kneehill Interagency Meetings and News Briefs – Quarterly Interagency meetings and monthly news briefs provide opportunities for service providers to network, collaborate, and share information. Meetings are held virtually on the fourth Tuesday of January, April, July, and October.

Volunteer Resources and Supports – Kneehill Regional FCSS supports volunteer organizations and volunteers with recruitment, retention, recognition, education, and appreciation initiatives.

Tools for School – Kneehill Regional FCSS organizes the Tools for School Program. Through generous cash donations, much needed school supplies are provided to children in need in the Kneehill area. Cash donations are accepted all year, and tax receipts are available.

Community Volunteer Income Tax Program (CVITP) – In partnership with the Canada Revenue Agency, trained community volunteers prepare income tax returns for eligible low-income individuals and families. Volunteer support is provided by the CRA. Appointments are available in March and April.

Just in Case – “Just in Case” sessions help participants organize important personal information—such as wills, insurance policies, passwords, and other key documents—so it can be easily accessed when needed.

Child and Youth and Family Programs – Kneehill Regional FCSS offers programs and activities that support children and youth by fostering self-expression, building positive connections, and developing leadership skills.

Other Initiatives and Programs – Family Violence Awareness and Prevention, Healthy Relationship Initiatives, Random Acts of Kindness, Community Discovery Nights, Dementia Friendly Communities Group, Mental Health and Wellness, Emergency Social Services, Adult Programs, Early Years Programs.
