DEVELOPMENT PERMIT APPLICATION REQUIREMENTS

The following documents are required for a complete application. Missing documentation may result in delays in approval or a rejection of the application due to insufficient information.

- Complete Development Permit Application Form
- Application Fee (refer to the Village of Linden Fee Schedule)
- Letter of Authorization from the property owner authorizing an agent to act on their behalf (if the owner is unable to sign the Development Permit Application Form)
- Site Plan (drawn to scale) showing the following:
 - municipal address, legal description and north arrow
 - area and dimensions of the parcel boundaries, showing any required front, rear and side yards
 - existing and proposed easements and rights-of-way
 - location and dimensions of all existing and proposed buildings, structures or uses on the property and the measured distance to property lines
 - identification of existing and proposed roads or lanes that will provide access
 - off-street parking and loading stalls
 - vehicle entrances and exits from the property (e.g. driveways)
 - existing side grades at the corners of the parcel and the corners of existing and proposed buildings
- Statement of existing and proposed Utility Services (e.g. water and sanitary)
- The presence of abandoned oil and gas wells (in accordance with the *Matters Related to Subdivision and Development Regulation*. Visit <https://extmapviewer.aer.ca/AERAbandonedWells/Index.html>)

The Development Authority may additionally require the submission of:

- current copy of Certificate of Title and copies of any restrictive covenants, utility rights-of-ways, easements or Village of Linden caveats registered on title
- floor plans, elevations and section drawings
- written rationale supporting any requested variances
- samples or representations of exterior building materials and colors
- a Real Property Report prepared by an Alberta Land Surveyor
- in the case of a building to be relocated to the property, information relating to the age and condition of the building
- stormwater management, grading or landscaping plans prepared by a qualified professional
- a traffic impact assessment
- an environmental evaluation or report
- a construction management plan
- a copy of an application made and the approval given by a Federal or Provincial authority
